**Fig. Daily Tank Audit Report for the month for one tank.**

- **The Daily Tank Audit Report is used to monitor your tanks and stay in compliance with the laws that govern underground tanks.**
- **Shrink is calculated for every day of the month and a running month to date total is displayed as well. At the end of the report a leak check is calculated and the you are told whether you are “Within the Guidleline” or “Outside of the Guideine”. In the report above, we are within the guideline.**
